The Mommy Care Kit is a preventative care kit designed to give Moms healthy, medication-free products they can use at home to manage pain, reduce inflammation, reduce stretch marks, and prevent blood clots.

## BENEFITS OF THE MOMMY CARE KIT:

### BELLY SUPPORT BAND

*Helps prevent stretch marks, reduces abdominal and pelvic girdle pain, helps with low back pain.*

### LOW BACK SUPPORT

*Decreases low back pain; provides back support and stability prepartum and postpartum.*

### BLOOD CLOT PREVENTION CUFFS

*Reduces the high risk of blood clots, increases circulation, relieves swelling in the legs/ankles.*

### TENS UNIT

*Relieve pain and inflammation, increases circulation throughout the body.*

### DOUBLE ELECTRIC BREAST PUMP

*9 levels to choose from promoting healthy breast feeding.*

The Mommy Care Kit is covered by most private health insurance plans.  
See if yours is fully covered today!
